

THOMPSON PARK

Location

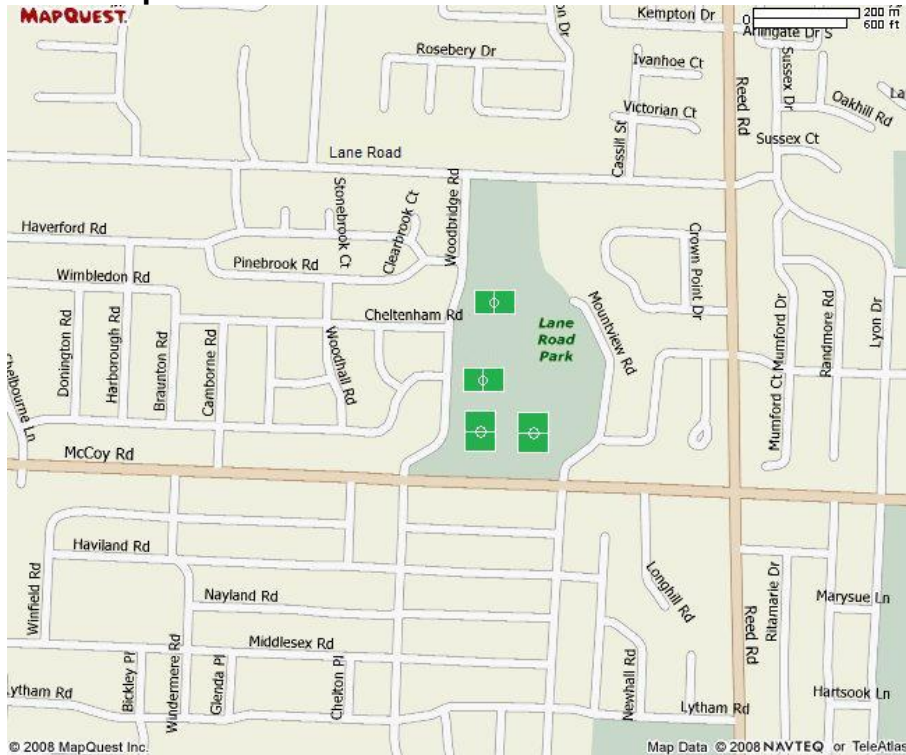

Thompson Park is located north of McCoy Road, south of Lane Road, east of Woodbridge Road and west of Mountview Road. This is northwest of the Ohio State University golf course.

The approximate field locations are indicated on the map. Upper Arlington Parks and Rec moves the field periodically to prevent excessive wear on the turf. Please check with the team rep to confirm your field's location within the park.

Parking is available along Woodbridge Road on the west side of the park and in parking areas off McCoy Road at the south end of the park, off Woodbridge Road on the west side of the park and in two locations off Mountview Road on the east side of the park. Limited parking is available at the Lane Road Library on the north end of the park.
